About The Brunch

This Brunch with Marco Mays is a community-centered gathering designed to educate, inspire, and empower individuals through meaningful conversations about HIV awareness, prevention, wellness, and community engagement.

In recognition of World AIDS Day, this special brunch will bring together community advocates, healthcare professionals, nonprofit leaders, and individuals committed to ending HIV-related stigma.

The event will provide an intimate and welcoming environment where participants can share experiences, gain knowledge, and explore ways to strengthen community support.

Invitation To Partners

Live Like An Icon invites your organization to partner with The Brunch with Marco Mays event that addresses HIV prevention, aging with HIV, mental wellness, stigma reduction, and community empowerment. Your partnership helps provide a welcoming setting, educational materials, refreshments, and opportunities for attendees to connect with supportive resources.

Why Partners Matter

- Accessible, culturally responsive education — Support HIV education and conversations that meet people where they are.
- Health equity — Demonstrate your organization's commitment to equitable access to information and community-centered wellness.
- Meaningful engagement — Participate in a focused gathering that strengthens community connection and supports informed dialogue.

World AIDS Day is a reminder that awareness must be paired with action. Your support helps create a space where people feel informed, welcomed, and empowered to talk openly about HIV and wellness.

Thank you for considering a partnership that places community at the center.

EMPOWERING PEOPLE · INSPIRING COMMUNITIES · CREATING IMPACT
